

INFORMED CONSENT FOR IN-PERSON SERVICES DURING COVID-19 PUBLIC HEALTH CRISIS

This document contains important information about our decision (yours and mine) to resume in-person services in light of the COVID-19 public health crisis. Please read this carefully and let me know if you have any questions. When you sign this document, it will be an official agreement between us.

Decision to Meet Face-to-Face

We have agreed to meet in-person for some or all future sessions. If there is a resurgence of the pandemic or if other health concerns arise, however, I may require that we return to the telehealth format for a period of time. If you have concerns about meeting through telehealth, we will talk about it first and try to address any issues. You understand that, if I believe it is necessary, I may determine that we return to telehealth for everyone's well-being.

If you decide at any time that you would feel safer staying with, or returning to, telehealth services, I will respect that decision, as long as it is feasible and clinically appropriate. Reimbursement for telehealth services, however, is also determined by the insurance companies and applicable law, so that is an issue we may also need to discuss.

Risks of Opting for In-Person Services

You understand that by coming to the office, you are assuming the risk of exposure to the corona virus (or other public health risk). This risk may increase if you travel by public transportation, cab, or ridesharing service.

Your Responsibility to Minimize Your Exposure

To obtain services in-person, you agree to take certain precautions which will help keep everyone (you, me, and our families, [my other staff] and other clients) safer from exposure, sickness and possible death. If you do not adhere to these safeguards, it may result in our starting / returning to a telehealth arrangement. Initial each to indicate that you understand and agree to these actions:

- You will only keep your in-person appointment if you are symptom free.
- If you have symptoms of the coronavirus (and/or are waiting for testing to come back), you agree to cancel the appointment or proceed using telehealth. If you wish to cancel for this reason, I won't charge you our normal cancellation fee.
- You will wait in your car or outside [or in a designated safer waiting area] until no earlier than 5 minutes before our appointment time.
- You will wash your hands or use alcohol-based hand sanitizer when you enter the building.
- You will adhere to the safe distancing precautions we have set up in the waiting room and testing/therapy room. For example, you won't move chairs or sit where we have signs asking you not to sit.
- You will wear a mask in all areas of the general office area (I [and my staff] will too).
- You will keep a distance of 6 feet in your session and there will be no physical contact (e.g. no shaking hands) with me [or staff].

1380 Energy Park Drive, Suite 201
St. Paul, MN 55108

7206 Forestview Lane N, Suite 206
Maple Grove, MN 55369

- You will try not to touch your face or eyes with your hands. If you do, you will sanitize your hands (alcohol-based hand sanitizer will be available in the therapy space).
- If you are bringing your child, you will make sure that your child follows all of these sanitation and distancing protocols.
- You will take steps between appointments to minimize your exposure to COVID.
- If you have a job that exposes you to other people who are infected, you will immediately let me [and my staff] know.
- If your commute or other responsibilities or activities put you in close contact with others (beyond your family), you will let me [and my staff] know.
- If a resident of your home tests positive for the infection or you, yourself test positive, you will immediately let me [and my staff] know and we will then [begin] resume treatment via telehealth.

I may change the above precautions if additional local, state or federal orders or guidelines are published. If that happens, we will talk about any necessary changes.

My Commitment to Minimize Exposure

My practice has taken steps to reduce the risk of spreading the coronavirus within the office and we have posted our efforts on our website and in the office. Please let me know if you have questions about these efforts.

Your Confidentiality in the Case of Infection

If you have tested positive for the coronavirus, I may be required to notify local health authorities that you have been in the office. If I have to report this, I will only provide the minimum information necessary for their data collection and will not go into any details about the reason(s) for our visits. By signing this form, you are agreeing that I may do so without an additional signed release.

Informed Consent

This agreement supplements the general informed consent/business agreement that we agreed to at the start of our work together.

Your signature below shows that you agree to these terms and conditions.

Office Safety Precautions in Effect During the Pandemic

My office is taking the following precautions to protect our patients and help slow the spread of the coronavirus.

- Office seating in the waiting room and in therapy/testing rooms has been arranged for appropriate physical distancing (may vary by location).
- Clearwater Staff will wear masks in common areas.
- Clearwater Staff maintain safe distancing.
- Restroom soap dispensers are maintained and everyone is encouraged to wash their hands.
- Hand sanitizer that contains at least 60% alcohol is available in the therapy/testing rooms, the waiting room and at the reception counter.
- We ask all patients to wait in their cars or outside until no earlier than 5 minutes before their appointment times (in effect based on your specific provider's recommendation and may vary by site).
- Credit card pads, pens and other areas that are commonly touched are thoroughly sanitized after each use.
- Physical contact is not permitted.
- Tissues and trash bins are easily accessed. Trash is disposed of on a frequent basis.
- Common areas are thoroughly disinfected at the end of each day.
